

# Industrial Price List

| Reference                             | Description                                  | Weight/unit       | Price in EUR      |
|---------------------------------------|--|-------------------|-------------------|
| <b>ZINC ANODES WITH PLATE TO WELD</b> |  |                   |                   |
| ZP-0                                  | Fish shape                                   | 0,55 kgs          | 9,15 €            |
| ZP-1                                  | Fish shape                                   | 2,113 kgs         | 13,35 €           |
| ZP-1,7T250                            | Fish shape 250 mm to ctres                   | 1,7 kg            | 20,28 €           |
| ZP-2                                  | Fish shape                                   | 2 kgs             | 21,30 €           |
| ZP-2,5                                | Fish shape                                   | 2,42 kgs          | 26,49 €           |
| ZP-5                                  | Fish shape                                   | 5 kgs approx.     | 56,52 €           |
| Z-5C                                  | Rectangular plate                            | 5 kgs             | 56,07 €           |
| Z6                                    | Rectangular plate                            | 6 kgs             | 56,68 €           |
| Z-6,5                                 | Rectangular plate                            | 6,5 kgs           | 61,90 €           |
| Z-10                                  | Rectangular plate                            | 10 kgs approx.    | 93,60 €           |
| Z-11                                  | Rectangular plate                            | 11 kgs approx.    | 102,90 €          |
| Z-20                                  | Rectangular plate                            | 20 kgs approx.    | 149,96 €          |
| Z-22                                  | Rectangular plate                            | 22 kgs approx.    | 165,58 €          |
| Z-27                                  | Rectangular plate                            | 27 kgs approx.    | 203,62 €          |
| Z-34                                  | Rectangular plate - perpendicular inserts    | 36,50 kgs approx. | 280,88 €          |
| Z-10N                                 | Rectangular plate 2 parallel inserts         | 10 kgs            | 95,25 €           |
| Z-5N/2                                | Rectangular plate 2 parallel inserts         | 5 kgs             | 50,28 €           |
| ZT-37                                 | Tank anodes                                  | 34,9 kgs          | ask for quotation |
| ZT-30                                 | Tank anodes                                  | 28,2 kgs          | ask for quotation |
| ZT-23                                 | Tank anodes                                  | 21,4 kgs          | ask for quotation |
| ZT-15                                 | Tank anodes                                  | 13,7 kgs          | ask for quotation |
| ZT-63                                 | Tank anodes                                  | 60,9 kgs          | ask for quotation |
| ZT-50                                 | Tank anodes                                  | 48,2 kgs          | ask for quotation |
| ZT-38                                 | Tank anodes                                  | 36,4 kgs          | ask for quotation |
| ZT-25                                 | Tank anodes                                  | 23,7 kgs          | ask for quotation |
|                                       | Fixations                                    | 1 pair/anode      | ask for quotation |
| Z-1N                                  | Rectangular anode                            | 0,85 kgs          | 11,31 €           |
| Z-5N                                  | Rectangular anode                            | 4,9 kgs           | 50,10 €           |
| Z-2N                                  | Rectangular anode                            | 5,2 kgs           | 58,98 €           |
| Z-12N                                 | Rectangular anode                            | 12 kgs            | 114,53 €          |
| ZF-1                                  | massive fish shape                           | 1,130 kgs approx. | 12,96 €           |
| ZF-2                                  | massive fish shape                           | 2 kgs approx.     | 25,83 €           |
| <b>SEA CHEST ANODES</b>               |  |                   |                   |
| ZC-150                                | Sea chest 150 mm diam                        | 1,8 kgs           | 51,00 €           |
| ZC-180                                | Sea chest 180 mm diam                        | 2 kgs             | 55,00 €           |
| ZC-210                                | Sea chest 210 mm diam                        | 2,4 kgs           | 60,00 €           |
| <b>ANODES TO BOLT ON</b>              |  |                   |                   |
| ZG 2                                  | Plate with rubber base                       | 1,3 kgs           | 20,58 €           |
| ZG 4                                  | Plate with rubber base                       | 3,6 kgs           | 51,30 €           |
| ZG 6                                  | Plate with rubber base                       | 5,9 kgs           | 66,10 €           |
| ZG 11                                 | Plate with rubber base                       | 8,6 kgs           | 96,03 €           |
| ZG 12                                 | Plate with rubber base                       | 9,16 kgs          | 102,00 €          |
| ZP 0SP                                | Fish shape                                   | 0,550 kgs         | 9,15 €            |
| ZP 1SP                                | Fish shape                                   | 1,130 kgs         | 13,35 €           |
| Z-SR130                               | Plate to screw on for Sea ray                | 130 mm ctres      | 33,57 €           |
| Z-1D                                  | 1 biased hole dia 12*110 mm                  | 1,37 kgs          | 24,06 €           |
| Z-2B                                  | Distance between holes 140 mm                | 3,00 kgs          | 40,35 €           |
| Z-3B                                  | Distance between holes 200 mm                | 3,25 kgs          | 39,66 €           |
| Z-3BF                                 | Distance between holes 160 mm - biased 65 mm | 2,16 kg           | 33,75 €           |

## Industrial Price List

|       |                               |           |          |
|-------|-------------------------------|-----------|----------|
| Z-4BF | Distance between holes 200 mm | 3,90 kgs  | 53,58 €  |
| Z-6B  | Distance between holes 200 mm | 5,60 kgs  | 58,98 €  |
| Z-7BF | Distance between holes 230 mm | 7,00 kgs  | 68,78 €  |
| Z-12B | Distance between holes 240 mm | 12,00 kgs | 122,00 € |

### ALUMINIUM ANODES WITH PLATE TO WELD

|        |  |                  |          |
|--------|--|------------------|----------|
| AP-0   | Fish shape                                     | 0,25 kgs         | 10,50 €  |
| AP-1   | Fish shape                                     | 0,55 kgs         | 13,50 €  |
| Ap-2   | Fish shape                                     | 1 kgs            | 21,00 €  |
| AP-2,5 | Fish shape                                     | 1,2 kgs          | 24,00 €  |
| AP-5   | Fish shape                                     | 2,42 kgs approx. | 46,50 €  |
| A-6    | Rectangular plate                              | 2,5 kgs          | 51,00 €  |
| A-6,5  | Rectangular plate                              | 2,8 kgs          | 55,50 €  |
| A-11   | Rectangular plate                              | 5 kgs approx.    | 77,15 €  |
| A-22   | Rectangular plate                              | 9,8 kgs approx.  | 121,96 € |
| A-27   | Rectangular plate                              | 11,6 kgs approx. | 165,84 € |
| A-34   | Rectangular plate with 2 perpendicular inserts | 15,9 kgs         | 207,32 € |

### ALUMINIUM ANODES TO BOLT ON

|       |                                |              |                   |
|-------|--------------------------------|--------------|-------------------|
| AG-12 | Plate with rubber base         | 3,80 kgs     | 82,95 €           |
| A-50  | Anodes for platforms, refinery | 50 kgs       | 640,38 €          |
| A-100 | Anodes for platforms, refinery | 100 kgs      | 1.275,74 €        |
| AT-37 | Tank anodes                    | 11,5 kgs     | ask for quotation |
| AT-30 | Tank anodes                    | 9,4 kgs      | ask for quotation |
| AT-23 | Tank anodes                    | 7,13 kgs     | ask for quotation |
| AT-15 | Tank anodes                    | 4,5 kgs      | ask for quotation |
| AT-63 | Tank anodes                    | 20,2 kgs     | ask for quotation |
| AT-50 | Tank anodes                    | 16 kgs       | ask for quotation |
| AT-38 | Tank anodes                    | 12,2 kgs     | ask for quotation |
| AT-25 | Tank anodes                    | 7,9 kgs      | ask for quotation |
|       | fixations                      | 1 pair/anode | ask for quotation |

### PLATES TO MECHANIZE

|        |                  |                  |          |
|--------|------------------|------------------|----------|
| Z-2900 | Plate 150x70x25  | Approx. 2 kg     | 28,89 €  |
| Z-2901 | Plate 300x150x18 | Approx. 6 kgs    | 60,23 €  |
| Z-2902 | Plate 500x500x20 | Approx. 32,5 kgs | 259,74 € |
| Z-2903 | Plate 600x600x12 | Approx 33 kgs    | 261,40 € |
| Z-2904 | Plate 600x600x16 | Approx. 39 kgs   | 316,02 € |
| Z-2905 | Plate 600x600x20 | Approx. 46 kgs   | 371,28 € |
| Z-2906 | Plate 600x600x32 | Approx. 76 kgs   | 632,68 € |

### ANODES TO BOLT ON

|      |                               |        |         |
|------|-------------------------------|--------|---------|
| ZE-1 | Distance between holes 117 mm | 0,3 kg | 5,70 €  |
| ZE-2 | Distance between holes 127 mm | 0,5 kg | 8,40 €  |
| ZE-3 | Distance between holes 182 mm | 1 kg   | 15,12 € |
| ZE-4 | Distance between holes 182 mm | 2 kg   | 27,45 € |
| ZE-5 | Distance between holes 255 mm | 3 kg   | 41,94 € |

### ZINC GROUNDNG EARTHING ELECTRODE

|         |                          |           |          |
|---------|--------------------------|-----------|----------|
| Z-35150 | Zinc stake 35*35*1500 mm | 11,34 kgs | 110,12 € |
| Z-30100 | Zn Stake diam 30*1000 mm | 4,80 kgs  | 65,53 €  |
